New Regulation on Disposable Plastic Products

As part of Regal's initiative on sustainability, we strive to minimize the occurrence of environmental pollution in our business activities.

With the new regulation on disposable plastic products starting on 22 April 2024, disposable plastic toiletries and in-room plastic-bottled water will no longer be provided in hotels for free. All Regal Hotels will supply eco-friendly alternatives instead. Meanwhile, we also highly encourage guests to bring their own toiletries.

As a wise green traveller, please join us to reduce the use of disposable plastic products and co-create a better living environment!

We look forward to welcoming you at Regal Airport Hotel, Hong Kong.

Yours Sincerely,
